REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

The Board present their Report, together with the accounts for the year ended 31 March 2022.

This report and the financial statements, comply with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Chair's Report

I am pleased to present the 2021/22 Directors' Report for Simply Play, a year which has again been an extremely difficult one for the organisation, as it has been for the whole Out of School Care sector. Having taken steps last year to mitigate the impact of the pandemic and economic downturn, this year we have reaped the benefits of our prudence. We have managed to maintain a service for working parents whilst ensuring children have a positive play experience.

Whilst the demand for our service is not as high as it was, as some parents continue to work from home, our consolidation of services has ensured our sustainability. We continue to monitor the situation carefully but look forward to the coming year with cautious optimism.

Wonder Woods, our innovative outdoor nursery continues to be successful with glowing reports from parents and much fun had by the children.

As we move towards 2023, the Board and Management Team will continue to work closely together in maintaining a strategy that will allow us to continue a service, relevant to the time, whilst ensuring the longer-term financial health of the organisation.

Many thanks to Raymond Branton, our CEO and all of the staff team, for their excellent work and to my fellow Trustees, for all effort they have expended in the last year: We look forward to a brighter future, ready to address the challenges of the coming year.

Margaret Graham
Chairperson

SIMPLY PLAY

REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

OUR PURPOSE

Simply Play exists to promote the benefit of the inhabitants of West Lothian and in particular parents and children, to advance education and provide facilities in the interest of social welfare for recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants by the provision, co-ordination and management of out of school care facilities and activities.

Our mission is **Working together to provide high quality, accessible and affordable out of school childcare across West Lothian.**

OUR STRUCTURE

Simply Play is both a charity (SCO41420) and a Company Limited by Guarantee (SC372020). It is a subsidiary of Family and Community Development West Lothian.

OUR YEAR

This Report follows on from a year like no other, when our world faced a global pandemic and we experienced national lockdowns, a public health emergency, business closures and furlough.

This year's Report focuses on our recovery from the impacts of Covid-19 for our people, our communities and our business, as we gradually re-opened and had to find new ways to support everyone and to maintain business sustainability.

SPRING

The start of this financial year saw our childcare services recently reopened, with Covid restrictions in place.

In preparation for the massive drop in demand, due to the "work from home" message, we put a consolidation plan in place. This centralised services in sites that were more controllable for us, accessible to the majority of schools that we served and made most efficient use of our reduced resources. Unfortunately, this did mean a loss of service for some people and the temporary closure of some sites but it was essential to our continued viability for the majority of families.

We were all gutted when our minibus was stolen from a school car park and found stripped down and burnt out, in the middle of nowhere. The public reaction was heartening though, with donations from individuals, local community groups and businesses, making up for the shortfall in our insurance pay-out to buy us a replacement vehicle.

SUMMER

Over the summer we provided much needed summer holiday services at East Calder and Murieston, with some restrictions still in place.

We were also pleased to be able to offer a service to Mid Calder families, following the earlier closure of Mid Calder after school club.

For the new term, starting in August, we concluded our consolidation of services as part of our Covid recovery and sustainability plan, as demand for childcare continued to be much lower than pre-pandemic. This established the new base-line for us to maintain and from which to re-grow in the future.

We were delighted to celebrate the first birthday of our Wonder Woods nursery, which was certainly not an easy journey and we also held a few open days to spread the word.

SIMPLY PLAY

REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

AUTUMN

Thanks to our success at grant funding, we worked with a branding company to give us a complete refresh. This went down well with everyone and gave us a bright, fresh new look to build on in the future. Our new uniforms were a particular hit.

WINTER

Towards the end of the year we recruited our third tranche of Modern Apprentices, which has been a success for all involved and has resulted in permanent jobs for some.

It was a real luxury to renew all of our IT in one go and to have the right tools for the job, thanks to another piece of grant funding.

Towards the end of this reporting period and as we entered spring-time, replacement of all of our staff uniforms allowed us to donate all of our old ones to the School Bank West Lothian, which raised hundreds of pounds for them.

OUR ACTIVITIES

During 2021/22, we provided out of school care at: Bathgate, East Calder, Kirknewton, Murieston and Wester Inch, covering 21 primary schools; and pre-school childcare at our Wonder Woods nursery. In the year we provided childcare for 605 families, with 757 children.

OUR ORGANISATION

Like many other charities and service providers, we had to continually adapt and change quickly to a constantly shifting operating environment. We continued to make use of the Governments furlough scheme well into the summer and faced up to some difficult issues and decisions.

Thanks to robust leadership, good governance and quick and decisive action when needed, we have remained strong and sustainable during these disruptive and unpredictable times. This performance, in the face of such adversity, demonstrates our resilience, responsiveness and creativity.

During the period we invested significantly in rebranding, to strengthen our presence, key messages and communications.

THE SECTOR

Throughout the year, we continued to be a key leader in the local and national sector.

Locally our CEO continued to Chair the Third Sector Strategy Group, which continued to meet virtually, to facilitate information, engagement and partnership working. He continued to lead a Leaders' Support Group, set up during the pandemic to provide a safe place for local Third Sector leaders to get peer support during a very difficult time for them. We also continued to represent the sector on the Sector/Council Working Group and the Children and Families Strategic Planning Group. During the period we were also a key partner in the delivery of West Lothian's new Children's Services Plan.

Nationally we lobbied and campaigned on behalf of the beleaguered out of school care sector – speaking out about the sector's strategic importance and its sustainability issues. This finally bore fruit towards the end of the financial year, through an Omicron Impacts Fund for the childcare sector, from the Scottish Government.

Finally, it was a tough year for childcare charities, with demand lower than pre-Covid, lack of staff and ever reducing resources available, all with the continued impact of Covid cases. Some organisations did not survive and there was an exodus of Third Sector leaders, who were burnt out.

SIMPLY PLAY

REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

OUR FUTURE

We continue to face unprecedented challenges:

- Additional public sector cuts will further negatively impact on our most vulnerable people and communities, at a time when a cost of living crisis is dragging more people than ever into poverty.
- It will take years for the effects of the pandemic and lockdowns, to be mitigated and their effect on mental health and wellbeing and developmental delays in infants, are only two major impacts, which are at the top of the list.
- Like most sectors, we are also facing a staffing crisis, with shortages holding back recovery and affecting quality. A particular issue for our sector is Local Authorities “hoovering up” staff due to an un-level playing field, which is a national issue and requires a national solution.

We are cautiously optimistic however:

- We have emerged from the pandemic much stronger than we could have and are relatively well placed to push on from here.
- Our rebranding has already had a positive impact and given us some traction for the coming year. Following this we have also just agreed to use Play Works as the operating name for our parent organisation, Family and Community Development West Lothian, which will be more straightforward.
- West Lothian Council is looking to introduce blended placement for early years funded places, which should help with our plans for Wonder Woods.

OUR FINANCES

These are difficult times for the Third and Public Sectors and we are always striving to be as efficient and cost effective as possible, with careful cost controls and continual fundraising.

The impact of the “work from home” message in the first half of this year and subsequent move towards hybrid working for many, has impacted on income, but these were expected and planned for. We were delighted to make a small surplus this year, so reserves were further replenished and future liquidity is good.

The Board has a number of formal arrangements between the organisation and Family and Community Development West Lothian, to reimburse costs and share resources, which are laid out in a Facilities Sharing Agreement. These are monitored on a regular basis.

Principal funding sources

Simply Play’s income is fee based and is reviewed and increased annually in line with inflationary costs.

Where available, charitable grants are sought to assist with specific, outcomes based, elements of the service.

Investment policy

To reflect very low interest rates and ensure the accessibility of working capital in these uncertain times, the Board does not have any fixed deposit accounts.

SIMPLY PLAY

REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

Reserves policy

The target is to build reserves equivalent to 6-months full operating costs, including salaries, as part of a prudent financial planning and management strategy.

Pensions

Stakeholder pensions are in place with Standard Life for all eligible staff.

Auditors

To ensure robust governance, the Board of Directors assessed the performance of and reappointed, Thomson Cooper Accountants, whom they felt represented best value for the organisation.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The organisation is a charitable company limited by guarantee (SC372020), incorporated on 29th January 2010 and registered as a charity on 22nd April 2010 (SC041420). The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association. Under those Articles, the Directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Board. Under the requirements of the Memorandum and Articles of Association the members of the Board are appointed by Family and Community Development West Lothian (FCDWL), which is the sole Member.

Recruitment and Appointment to the Board

There is a good mix of skills and experience represented on the Board, which includes parents, local business people, members with previous governance experience and members with specialist sector knowledge and experience. Skills gaps are identified and suitable replacements sought when required.

Board Induction and Training

Board Members are familiar with the operation of the organisation and their governance roles and responsibilities. The CEO keeps the Board up to date with changing requirements, legislation and policy initiatives. Training for Directors is organised as required.

New members of the Board of Trustees are taken through an induction programme by the CEO, which includes: the structure, ethos and operation of the organisation; governing documents and reporting requirements; roles and responsibilities of charity Trustees; resourcing information and financial management arrangements; and strategic plans for the organisation.

SIMPLY PLAY

REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

Risk Management

The Board has assessed the major risks to which the organisation is exposed. An annual risk assessment is carried out and appropriate systems have been put into place to minimise the risks the charity faces:

- Fluctuations in the market, including local demographic changes and projections
- The organisation's operating environment, including policy and regulatory changes
- Child protection guidelines are applied, including appropriate checks on all staff and volunteers. Relevant staff are also registered with the Scottish Social Services Council (SSSC) and members of the Protection of Vulnerable Groups (PVG) scheme
- Financial systems are in place to ensure good practice in relation to processing, handling and authorisation of all financial transactions
- A long-term funding strategy is in place, with regular strategic reviews
- Hygiene controls are in place and are monitored by staff and Environmental Health Officers
- Health and safety policy and procedures are in place for all staff, volunteers and users of the service
- Regular inspections at all sites are carried out by the Care Inspectorate
- Covid-19 regulations and requirements have been regularly updated, reviewed and implemented, led by management and overseen by Trustees.

Organisational Structure

Simply Play is governed by a Board of Directors of up to 9 members, who monitor the organisation and oversee its strategic direction and agree policy. Parent/user representation on the Board is ensured through its Memorandum and Articles, where 3 positions are reserved specifically for parent users.

The Board's consolidated structure facilitates effective governance and reflects the organisation's size and diversity. The full Board meets quarterly, supported by monthly Finance Sub Group meetings and quarterly Practice Sub groups.

The operational running of the organisation is delegated to the organisation's CEO and, through him, to the staff according to the organisation's management structure. The CEO reports directly to the Board at their meetings.

Related Parties

Simply Play works in partnership with a number of other agencies and bodies, both to promote the organisation's charitable objects and to contribute to the development of the local sector. Key partners are:

- West Lothian Council, where the organisation works closely with various local teams and staff from the Education Department, to liaise on activities, joint working and referrals. Our CEO also represents the voluntary sector on the Council's Children and Families Strategic Planning Group, Sector/Council Working Group, as well as various short-life working groups.
- The organisation has a Contract to provide Early Learning and Childcare, as a partner provider, with West Lothian Council. This enables parents to use their funded childcare entitlement with us, which is paid through Council's Pupil Placement department.
- The Voluntary Sector Gateway West Lothian is the district's third sector interface organisation and the organisation's CEO Chairs its Third Sector Strategy Group. There are no financial transactions between the two organisations.

SIMPLY PLAY**REPORT OF THE BOARD OF DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2022**

Family and Community Development West Lothian is the sole Member of Simply Play and has representation on its Board of Directors. There are a number of formal arrangements between the two organisations to reimburse costs and share resources, which are laid out in a Facilities Sharing Agreement.

REPORT OF THE BOARD OF DIRECTORS FOR THE YEAR ENDED 31 MARCH 2022

Statement of Directors Responsibilities

The trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Report of the Board of Directors and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure to the Auditor

In so far as the directors are aware:

- there is no relevant audit information of which the charitable company's auditors is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

In accordance with the company's articles, a resolution proposing that Thomson Cooper be reappointed as auditor of the company will be put at a General Meeting.

Approved by the Board of Directors on 24 August 2022 and signed on its behalf by:

Irene Kinroy

.....
Irene Kinroy – Treasurer

SIMPLY PLAY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF SIMPLY PLAY

Opinion

We have audited the financial statements of Simply Play (the 'charitable company') for the year ended 31st March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2022 and of its incoming resources and application of resources, including the it's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

SIMPLY PLAY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF SIMPLY PLAY

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 10, the trustees (who are also directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

SIMPLY PLAY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF SIMPLY PLAY

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was capable of detecting irregularities, including fraud

We considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following areas: existence and timing of recognition of income, posting of unusual journals along with complex transactions and non-compliance with laws and regulations. We discussed these risks with management, designed audit procedures to test the timing and existence of revenue, tested a sample of journals to confirm they were appropriate and inspected minutes from meetings held by management and trustees for any reference to breaches of laws and regulations. In addition, we reviewed areas of judgement for indicators of management bias to address these risks.

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the officers and other management (as required by the auditing standards).

We reviewed the laws and regulations in areas that directly affect the financial statements including applicable charity and company law and considered the extent of compliance with those laws and regulations as part of our procedures on the related financial statement items.

With the exception of any known or possible non-compliance with relevant and significant laws and regulations, and as required by the auditing standards, our work in respect of these was limited to enquiry of the officers and management of the charity.

We communicated identified laws and regulations and potential fraud risks throughout our team and remained alert to any indications of non-compliance or fraud throughout the audit. However, the primary responsibility for the prevention and detection of fraud rests with the trustees.

SIMPLY PLAY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF SIMPLY PLAY

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Alan Mitchell (Senior Statutory Auditor)
for and on behalf of Thomson Cooper, Statutory Auditor
Dunfermline

Date: 25-08-22

Thomson Cooper is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

SIMPLY PLAY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. Accounting Policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated

a) *Basis of Accounting*

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

b) *Charitable Funds*

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without specific purpose and are available as general funds.

Designated funds comprise unrestricted funds that have been set aside by the Board for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.

c) *Income Recognition*

All incoming resources are recognised when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received, and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity, and it is probable that they will be fulfilled.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. Accounting Policies (cont'd)

c) *Income Recognition (cont'd)*

Income from government and other grants, whether 'capital grants or revenue grants', are recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received, and the amount can be measured reliably and is not deferred. Where a grant is received for a specific purpose, it is included in restricted income and any unexpended portion carried forward as a restricted fund.

Income from out of school care fees are recognised in the period to which the provision of the service occurs.

Income from other trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Investment income includes interest on funds held on deposit and is included when receivable and the amount can be measured reliably by the charity, normally upon notification of the interest paid or payable by the Bank.

d) *Expenditure Recognition*

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Cost of raising funds comprises the costs of the general fundraising activities of the charity, and their associated support costs.
- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries, including the costs of providing out of school care services, and their associated support costs.
- Other expenditure (where relevant) comprises costs not falling into any other heading.

The charity is not registered for VAT and therefore all income and expenditure is recorded inclusive of VAT.

e) *Allocation of Support Costs*

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include office costs, payroll, general administration, and governance costs and are incurred directly in support of expenditure on the objects of the charity. The bases on which support costs have been allocated are on a direct basis or as a proportion of time spent.

SIMPLY PLAY**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022****1. Accounting Policies (cont'd)***f) Tangible Fixed Assets and Depreciation*

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Property	10% on a straight line basis
Office Equipment	25% on a straight line basis
Furniture & Fixtures	20% on a straight line basis
Computer Software	50% on a straight line basis
Play Equipment	25% on a straight line basis
Motor Vehicles	25% on a straight line basis
Leasehold Improvements	20% on a straight line basis

g) Debtors

Trade and other debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any discounts due.

h) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and all amounts held within bank current and deposit accounts.

i) Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

j) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

k) Employee Benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

l) Pensions

The charity operates a defined contribution scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. Contributions are expensed as they become payable.

SIMPLY PLAY**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022****1. Accounting Policies (cont'd)***m) Taxation*

The charity meets the definition of a charitable company for UK corporation tax purposes and is therefore considered exempt.

n) Trustee Remuneration and Related Party Transactions

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2021 – nil). No expenses were paid to trustees in the current or previous year in respect of travel expenses.

2. Legal Status of the Charity

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding-up is limited to £1.

The charities registered number is SCO4140.

The registered office is 1 - 3 Henderson Place, Broxburn, West Lothian, EH52 6EY.

3. Going Concern

At the time of the approval of the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

4. Net incoming resources for period

This is stated after charging:

	2022 £	2021 £
Depreciation - owned assets	8,527	5,680

SIMPLY PLAY**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022****9. Analysis of Governance and Support Costs**

The charity initially identifies the costs of its support functions. It then identifies those costs which relate to the governance function. Having identified its governance costs, the remaining support costs together with the governance costs are apportioned between its key charitable activities undertaken in the year. Refer to the table below for the basis for apportionment and the analysis of support and governance costs.

Current financial year

	Support Costs £	Governance Costs £	Total 2022 £
Staff costs (Note 10)	64,984	-	64,984
Premises costs	31,085	-	31,085
General expenses	(5,430)	-	(5,430)
Depreciation	8,527	-	8,527
Audit fees	-	5,440	5,440
	<u>99,166</u>	<u>5,440</u>	<u>104,606</u>

Prior financial year

	Support Costs £	Governance Costs £	Total 2021 £
Staff costs (Note 10)	62,450	-	62,450
Premises costs	30,290	-	30,290
General expenses	1,000	-	1,000
Depreciation	5,681	-	5,681
Audit fees	-	5,360	5,360
	<u>99,421</u>	<u>5,360</u>	<u>104,781</u>

All costs are allocated to activities on a direct basis, with the exception of staff costs which are allocated on the basis of time spent.

SIMPLY PLAY**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022****10. Analysis of Staff Costs, and Trustee and Key Management Remuneration and Expenses**

	2022	2021
Average number of full time employees during the year:		
Core service	14	21
Management and administration	4	5
	<u>18</u>	<u>26</u>
	£	£
Aggregate remuneration and associated costs of the charity:		
Wages & salaries	509,693	553,261
Social security costs	23,963	23,121
Pension costs	6,473	5,930
	<u>540,129</u>	<u>582,312</u>

No employee received emoluments in excess of £60,000 during the year (2021 : nil).

The total amount of employee benefits received by key management personnel of the charity is £80,122 (2021 : £89,695). The charity considers its key management personnel comprise the Senior Management Team.
